## CASE STUDY OF NSS ACTIVITIES OF COLLEGE

Academic Year 2022-23

In Bhagubai Changu Thakur College of Law, New Panvel, the successful implementation of the National Service Scheme (NSS) is a testament to the effective deployment of the institutional strategic/perspective plan. The seamless integration of NSS activities into the fabric of our institution not only enhances the educational experience for our students but also aligns with our broader commitment to social responsibility and community engagement.

The foundation of our success lies in the meticulous alignment of NSS objectives with the strategic goals outlined in our institutional plan. Recognizing the transformative potential of NSS, our strategic plan explicitly incorporates provisions for community outreach, ethical development, and the cultivation of a socially conscious legal community. This alignment ensures that NSS becomes an organic extension of our institutional mission rather than a standalone initiative.

A dedicated NSS committee, composed of faculty members, Mr. Raghav Sharma as NSS Program Officer and Mrs. Sayali Ranade as Lady Program officer and student representatives, serves as the driving force behind the effective deployment of our strategic plan through NSS activities. This committee oversees the planning, execution, and evaluation of NSS initiatives, fostering a collaborative environment that ensures the seamless integration of NSS into our college's culture.

Our NSS activities are designed with a dual purpose – enhancing the academic and professional development of our students while concurrently addressing the needs of the community. Legal aid camps, awareness programs on legal rights, and community legal literacy initiatives serve as practical avenues for students to apply legal knowledge in real-world contexts, contributing to their holistic development as socially responsible legal professionals.

Regular monitoring and evaluation mechanisms are embedded in our NSS initiatives, ensuring that we can measure the impact of these activities on both our students and the communities we serve. Feedback mechanisms, surveys, and assessments provide valuable data that enables us to fine-tune and optimize NSS programs, ensuring they remain relevant and aligned with the evolving needs of our institution and the broader community.

As a result of these concerted efforts, our law college stands as a beacon of effective NSS implementation, showcasing a commitment to the principles embedded in our strategic plan.

### **1. NSS - 7 Days Residential Camp**

Janardan Bhagat Shikshan Prasarak Sanstha's Bhagubai Changu Thakur College of Law, New Panvel had organized a 7 days Residential Camp to Shantivan Old age home, wakadi from **28th Jan 2023 to 3rd Feb 2023**. The camp was successfully driven under the theme "Yuvankanchadhyas, gram shaharvikas".

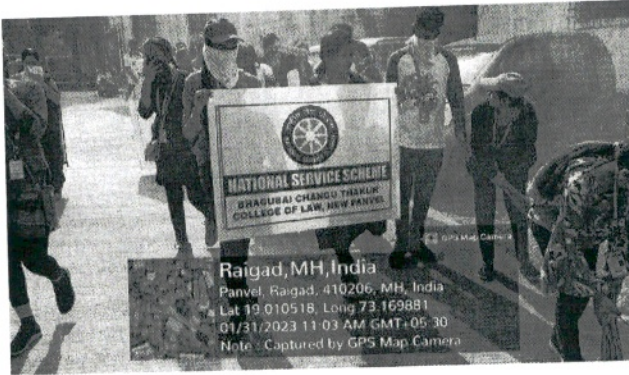

In this camp 22 NSS volunteers had participated and camped for 7 days at Shantivan with chief program officer Asst. Prof. Raghav Sharma and Lady program officer Asst. Prof. Sayali Ranade ma'am who camped with students.

During this camp the students got an opportunity to interact and listen to various guest speakers on important topics every day. NSS volunteers also performed and participated in various activities useful for society and welfare-oriented activities in Shantivan under the "shramdam" segment.

The volunteers also organized a rally for cleanliness awareness from shantivan to near Village and assisted the Nere Grampanchayat in cleaning activity in the village. NSS volunteers were warmly welcomed by villagers, Gram Panchayat members and Shantivan residents and administration during this camp. All the volunteers in this camp were made to cook, serve, clean and maintain all the daily chores on themselves under groups to imbibe in them the values of team spirit and self-reliance. Every evening the campers organised and participated in various cultural activities.

The camp was a great success and was successfully concluded under the guidance of secretary of JBSP S.T. Gadade sir, I/c Principal Dhanashri Kadam Ma'am.

## 2. KHARGHAR MARATHON 2023

In a remarkable display of enthusiasm and community spirit, NSS students from our esteemed law college recently participated in Kharghar Marathon. The event witnessed an impressive turnout, with students showcasing not only their physical prowess but also a strong commitment to social responsibility. The marathon not only served as a platform for promoting a healthy lifestyle but also raised awareness about various social issues. The event's success underscores our students' multifaceted talents and their proactive involvement in contributing to the broader welfare of society.

### 3. Basic Life support program CPR Training by NSS on 15th march 2023

The National Service Scheme (NSS) committee at our law college recently orchestrated a highly beneficial Basic Life Support program, focusing on Cardio-Pulmonary Resuscitation (CPR) training. This initiative aimed at equipping our students with essential life-saving skills, ensuring they are well-prepared to respond effectively in emergency situations. The program, attended by a diverse group of enthusiastic participants, provided hands-on training and comprehensive knowledge on administering CPR. The NSS committee's commitment to promoting not only academic excellence but also the well-being of the community was evident in the success of this event. This initiative underscores the college's dedication to producing socially responsible and well-rounded individuals capable of making a positive impact in various facets of life.
